

Wendy's Home Services

Quality in-home aged & disability care whenever you need it.

Services We Provide

Since 1995 we have been proud to provide care to clients in their own homes in the Blue Mountains & Western Sydney Regions. We have partnerships with more than 50 government and non-government agencies, as well as private clients, who call on us to provide high quality care including:

- Respite Care
- Personal Care
- Domestic Assistance
- Transport & Social Support
- Meal Preparation & Medication Prompting

Peace of Mind

We provide services tailored to help people maintain their independence. We pride ourselves on being able to respond quickly to requests for assistance with reliable, professional and caring staff. We have an after hours Coordinator on-call, giving agencies and clients peace of mind knowing someone is always available.

Our Staff

Our clients often tell us that their Wendy's careworkers go above and beyond the call of duty! We can provide staff to match the special need of clients, whether it is domestic assistance, personal care, or respite. All Wendy's Home Services staff undergo extensive reference checks, working with children, and police checks.

Quality System

Our quality management systems ensure our compliance with international quality standard, ISO 9001: 2008 and the range of community care standards and guidelines with which we comply.
